CHF 25 p.a.¹

Security

The safe deposit boxes at LGT Bank have a triple security system, offering the following advantages:

- There are only your two personal keys for your safe deposit box
- The electronic locking system acts as a second lock
- On request, your keys will be kept in a sealed envelope

Further information

- Separate conditions apply to services that are not regulated in this document "Supplementary Services and Fees – Personal safe deposit box".
- The bank explicitly reserves the right to levy additional fees in accordance with special pricing announcements.
- The bank explicitly reserves the right to amend these "Supplementary Services and Fees – Personal safe deposit box" at any time.

Please contact your relationship manager if you require more information.
